

MODERN RIVER CRUISE SHIP/FLOATTEL

Blt: 2007

Length: 72 m L.W.L: 69,38 m Beam: 14 m

Height: 11,5 m

Guest cabins: 63 double cabins + 2 suites

No. of passengers: 130 persons

No. of crew: 70 persons

Quiet, vibration free operation. Particular attention was paid to the construction of the engine room. Oversized engine bearers, flexible engine mounts, and flexible couplings to the entire engine room. Final result is a vibration free quiet vessel. During a cruise guests appreciate this smooth running ship.

Engines:

German built MAN Diesel engines

3 x Main engines D 2840 LE 301 – 690 HP

2 x Generators D 2876 LE 301 – 345 KVA

1 x Generator D 2866 LXE 30 – 244 KVA

All 6 engines were professionally serviced from installation by Marintec, Germany.

Propulsion:

Three Shottel Z drive coupled with three main engines - ensures easy manoeuvrability of the ship in any circumstance.

Efficient high volume air conditioning throughout the vessel. there are 7 air handling units (AHU) on board giving excellent results in air conditioning.

High purity water supply

The water purification system is Culligan, Italian made. One of the best in the world, with stainless filters.

Comfortable common areas.

Reception area is Italian marble. The atrium is large, elegant, like in a shore based hotel with impressive decoration and art work. Restaurant seats 150 guests. There are 3 bars.

Lounge bar: 130 seating with music system and dance floor.

Reception hall: serving guests in reception area.

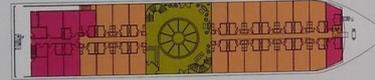

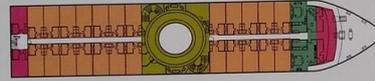

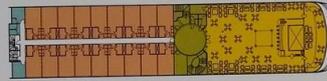

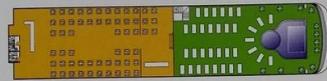

Sun deck: serving guests during day and at BBQ. There is a library with panoramic views above the bridge looking forward, with a large screen TV.
